

**C3**

## Unit 3 - "Travel independently" Competency Matrix

Centre Name	Student Name	Student Number
-------------	--------------	----------------

Trainers must complete this after practical competency has been achieved  
(See key on practical assessment sheets for competency levels)

### Unit 3 - Learning Outcomes

### Competency (C) /Date Achieved (DA)

The Student can:	C	DA	C	DA	C	DA
<b>Activity 11</b>						
Identify a personally useful safe route						
Identify where they are going						
Identify where they are leaving from						
Identify what type of transport they are going to use						
Identify the name & number of Taxi/bus they are going to use						
Identify the departure time of transport						
Identify the expected time of arrival						
Identify the method of payment for the journey						
Identify any need for appropriate clothing						
Identify an emergency contact and number						
<b>Activity 12</b>						
<b>Indicate to the trainer before attempting independent travel:</b>						
Where they are going						
Where they are leaving from						
What type of transport they are using if appropriate						
The name and number of bus if appropriate						
The name of the taxi company if appropriate						
Other method of transport (walking, elevator etc)						
The expected time of arrival at destination						
The time of departure						
The need for appropriate clothing if appropriate						
A contact name and number in case of emergency						
<b>Can then carry out the journey independently</b>						
Get on public transport if appropriate						
Inform the driver of destination						
Pay the correct fare/show travel pass						
Carry out the journey using appropriate behaviour						
Ring the bell on the bus if appropriate						
Exit the vehicle safely						
If necessary cross any roads using the safest route possible						
Reach destination safely						
Contact a specific person and inform them of candidates arrival						

N.B - Trainers can use more than one sheet depending on number of repeated sessions

Units cannot be claimed until a competency of 4 (Candidate can do independently)

is obtained in all learning outcomes for that unit
